Officer Joey Lontrato will be starting the police academy on April 17, 2023, and graduating August 11, 2023. Chief Van Meter and Sgt. Chairperson Goede suggested that Chief Van Meter do some research on the liability of such a program.

Chief Van Meter is looking at going to a softer uniform during the summer and community events.

Chief Van Meter discussed the new lodge and the number of events that will take place. Events will be placed on the department's calendar and staffed accordingly.

Chairperson Goede asked if Corporation building checks have gotten better about the number of buildings left unsecured after hours. Sgt. Schulz said the checks during the winter are better than summer. Need to have a conversation with the Corporation to make sure they talk to their staff about making sure that everything is locked up when they leave.

VI. Old Business:

- A. Holding off on old business, since Mr. Ferguson is not present to talk about the MOU with Deschutes County.

Mr. Buckley asked if we have received our completed audit yet. Chief Van Meter stated that the auditors said the audit should be completed by the end of March.

Chairperson Goede was concerned that the audit delay was going to interfere with Chief Van Meter getting his 2023-2024 budget completed, however, Chief Van Meter advised it would not be an issue in the completion of the 2023-2024 budget.

VII. New Business:

Chairperson Goede asked Chief Van Meter how the strategic plan was coming along. Chief Van Meter said he is working on it, but it's not ready for the board at this time and advised it should be completed in April.

The Board discussed the lease agreement with the Black Butte Ranch Homeowners Association and the Service District for the Police Department building and parking spots. Mr. Buckley stated the lease runs through December 31, 2025. Mr. Buckley suggested the Board get an appraisal to determine the fair market rent for the building and parking spots before the lease expires in order to insure the rent for the next lease is commercially reasonable. The Board agreed and Chief Van Meter will ensure the cost of an appraisal is included in the 2024-2025 budget.

The Board discussed the contract with the Black Butte Ranch Homeowners Association which requires the Police Department to enforce certain Ranch Rules and Regulations. The Association pays the Service District a monthly fee of \$100.00 for the Police Department's services. After discussion, the Board determined not to propose any changes to the contract to the Association.

The Board discussed the contract with the Black Butte Ranch Corporation which requires the Police Department to provide patrol activities, building security checks, traffic control and related services. The Corporation pays the Service District a monthly fee of \$1,000.00 for the Police Department's services. Discussion was made about the contract with the Black Butte Corporation for \$12,000. After discussion the board decided to leave the contract as is.

The Board and Chief Van Meter discussed the distinction between enforcement of Oregon statutes and Ranch Rules and Regulations and when a police activity involves the enforcement of a Ranch Rule and Regulation and an Oregon statute. The discussion focused on the traffic stops and traffic offenses on Ranch property. Chief Van Meter will review Police Department guidelines and get clarification from the Deschutes County District Attorney to the extent necessary. Chief Van Meter will review the distinction between enforcement of Oregon statutes and Ranch Rules and Regulations with the police officers to the extent he deems appropriate.

Mr. Buckley would also like the Deschutes County District Attorney to have a meeting with all officers to discuss the differences between Oregon Revised Statutes and Black Butte Ranch rules and regulations and get it in writing. Would like to know what the guidelines are.

Mr. Buckley suggested that the Deschutes County council office review our agreements.

Mr. Buckley asked if the Black Butte Ranch Police Policies and Procedures were current and in compliance. It was determined the Department is in compliance, as they contract with an outside vendor (Lexipol) to prepare the policies. Lexipol is contracted by many departments across the country to ensure policies are legal and meet all necessary state and federal requirements.

The Board reviewed the Black Butte Ranch Police Service District Policies and Procedures adopted in 2018. Policy 1.3 states the Police Chief shall compile all policies and procedures adopted by the Board and shall update the Service District's policy manual. After discussion, the Board members stated they were not aware of any policies and procedures the Board had adopted in addition to the Policies and Procedures that were adopted in 2018.

The Board noted typographical errors to the Policies and Procedures in Policy 2.1D; 2.3A; and 8.3 A, paragraph 5. The Board also noted that the Policies and Procedures, Policy 7.1, second paragraph should be updated to reflect the Police Chief is subject to an annual written evaluation. The Board requested Mr. Buckley to prepare a First Amendment to the Policies and Procedures to correct the typographical errors and add that the Police Chief is subject to an annual written evaluation. The Board will review the proposed First Amendment at the April meeting.

The Policies and Procedures, Policy 3.1, describes the duties of the Chair, Vice-Chair, Secretary, and Treasurer. The position of Secretary is optional. The Board has not elected a member to serve as Treasurer.
